Dear St. Luke Family,

We hope this finds you healthy and enjoying summer. The Taste of Greece will be held on **Friday Oct. 13th 4-8PM and Saturday Oct. 14th from 11-8PM**. We will have dine in and take out options available. The many volunteers at workshops have been hard at work creating our delicious menu items.

The Giving Tree funds help offset the expenses of items needed to prepare for The Taste. As we are all aware, the cost of items used for the Taste (as in our personal lives) has increased. For example, the cost chicken has risen 15 percent, and beef 30 percent. We use up to 50 pounds of feta for the salads, and the ingredients for sweet bread are estimated to cost $400. With generosity for the Giving Tree, we will yield greater revenue for The Taste.

We are asking our generous parishioners to donate to the Giving Tree. Please follow the simple instructions below to donate online directly to the Giving Tree. Or return/mail your donation to church with the bottom of this letter. Thank you so very much! We look forward to a successful TOG! God Bless!
