There is a saying which, by coincidence, I heard a few times this past week. It’s the idea that the windshield of a car is not only large, but much bigger than the rear-view mirror. In other words, look forwards, not backwards in life.

In the Spring of 2021, I see a certain hope and optimism in people. The travails of the past year are appearing to be moving into the zone of the rear-view mirror, and we now have great opportunities to look ahead.

Speaking with one parishioner, I heard the sentiment shared that, by **Pascha on May 2**, everything will be different, as everything always is in the Light of the Resurrection. Last year we were not able to be together; I very much anticipate that, not only will we be together this Pascha, but we will find great peace and joy as well.

As you know, Great Lent begins on March 15 this year on a day known as Clean Monday. At Saint Luke, we always begin this day with Holy Unction. The sacrament of Unction is a healing sacrament, borne out of the reality of pain, illness, and worry in our lives. Unction also presents to us, in the visible anointing with holy oil, that we are like the wounded man in the Parable of the Good Samaritan, whose wounds were bandaged by a stranger who poured oil and wine on them (Luke 10. 34; there is also a drop of wine in the holy oil that is blessed).

O Holy Apostle and Evangelist Luke, intercede with our Merciful God, that He may grant our souls remission of sins
— Apolytikion of Saint Luke
The Presanctified Liturgy

Because the Divine Liturgy is the "Banquet of Christ", a festive, triumphant celebration, the ancient discipline of the Church came to regard it as out of harmony with the penitential climate of Great Lent. Yet to provide the faithful with the "food of immortality", the Liturgy of the Presanctified Gifts, that is, with the Eucharistic Gifts consecrated beforehand, at the Liturgy of the previous Sunday, came into use early on. (It is attested as the approved custom by the Quinisext Council of 692.)

The Presanctified Gifts were offered to the faithful, after the ninth hour, about 3:00 p.m., usually at the end of a day of fasting, in what is actually an elaborated Office of Vespers with Holy Communion. The Presanctified is conducted from fifteen to eighteen times a year:
1. On Wednesday and Friday of the first six weeks of Lent.
2. On Thursday of the fourth week of Lent.
3. On Monday, Tuesday and Wednesday of Holy Week.

The Sacrificial (or Resurrection) Liturgy is celebrated on all Saturdays and Sundays in Lent, on the Feast of the Annunciation, on whatever day it falls, and on Holy Thursday. (Good Friday is an a liturgical day.)

ALSO NOTE!

There will be a Philoptochos Koulouria Workshop on Saturday, March 27 at 10 am. Please contact Philoptochos to participate!

In the Book of Isaiah, we are told that, "he bore our illnesses and carried our diseases" (Isaiah 53. 4).

So Lent is very much appropriate for refocusing our hearts and minds on the Lord, on His generosity, His concern for us, and for His healing. In the weeks ahead, I hope you are able to attend the various weekly services in the evening, such as the Presanctified Liturgies and the Salutations/Akathist services. I mentioned to people within the last year that, had the Church not been gathered in prayer, things would have been worse for everyone. The voice of the Church must always be heard, and your presence as people who have put your trust in God all the more important.

Kali Tessarakosti!
With love in the Lord,

Greetings to All,

A big thanks to everyone that volunteered to make our Lamb Shank dinner a success. I understand over 220 dinners were sold. Great job to everyone! What a wonderful start to the New Year.

These type of events should bring a smile to our faces. It's a reminder that everything we experience is by God’s grace and is truly a blessing.

This month makes a year from the initial shut down of our church services and finding ourselves in the middle of an unprecedented pandemic. It has been uncertain, unpredictable and unsettling. Most of our norms have been altered and our familiar ways impacted. It is a time when grace or blessing might not be in the first words that come to mind in association with the experiences we have been living through.

However, when we root ourselves in faith and push through the worry, fear and negativity that easily takes hold during a time like this, we find beauty and warmth in His grace. We find it through worship and prayer and through love and support of those around us. We find it in the kindness of strangers, we find it in the lessons and silver linings of the hardships we face - we find it everywhere.

We are entering the season of Lent, a time when we are called to draw closer to God both individually and as an Orthodox Christian community. It is my prayer that during this time we are all lifted up by the comfort and shine of his grace. For when we are attentive and connected to our faith, we experience the joy of his blessings all around us, even during the most trying times.

God Bless,
Ron Rookey
Parish Council President

The 2021 Philoptochos Membership Drive that launched in February is well underway. To those current members who have once again generously renewed their pledge of support to our St. Luke chapter and the Philoptochos ministry as a whole, thank you. To those who are pledging support for the first time, WELCOME! If you are still undecided about the Philoptochos ministry's mission, please seek out guidance from a current member, board member, or even Father! Let’s talk about the importance of our mission. The far-reaching impacts this ministry has, not only for our own beloved St. Luke Church but also for the surrounding communities nationally and globally.

As we prepare for the beginning of Great Lent, it’s the perfect time to reflect upon the previous year and just how disconnected we all felt from the traditional events leading up to Holy Pascha. This year through God’s grace, Philoptochos will once again find a path forward to usher in so many of our beloved traditions. All events sponsored by Philoptochos will be COVID compliant, focusing on all our parishioners’ health and well-being.

With that said, I am happy to announce there will be a Koulouria workshop on Saturday, March 27, 2021, at 10 am. If you wish to participate, please contact Melissa Kaitis at 413-537-5054. Additionally, an Easter mailer has been sent out containing order forms, along with news about upcoming events, as well as Easter giving opportunities.

Thankfully, God’s great mercy has allowed us to emerge from the pandemic more focused on the vital role our ministry plays in rebuilding communion with one another while serving others.

God Bless,
The Philoptochos Board

STEWARDSHIP 2021

A first for St. Luke, we recently held a very successful Drive-up and Take-out Lamb Shank Dinner. The planning, organizing, teamwork and dedication of many hands made this a prime example of Stewardship In Action: Time and Talent and Treasure!

We would kindly like to remind those who have yet to send in their 2021 pledge forms, to please do so at this time. This information is vital in planning our resources moving forward for all Time, Talent and Treasure. While St. Luke’s has been blessed with a generous endowment, we would like to remind everyone that these funds cannot be used for our operating expenses. Our beloved St. Luke’s needs you now more than ever.

We thank you for your continued support.

Love in Christ,
Joe and Meghan Dasco
Stewardship Committee
GOYA + Parish Game Night

GOYAn’s participated in a fun trivia night and prizes were awarded.

The same questions were posted at the Parish game night, both events were played via ZOOM and the laughs abounded. The kids beat the adults at the percentage of correct responses (not that anyone was counting.)

Sunday School

Sunday school has remained consistent on their ZOOM classes with almost the same attendance on Zoom as we have in person. GREAT JOB TEACHERS AND STUDENTS!!!

Loaves & Fishes

We wish to thank the Dasco, Vamvilis and Hallak families for their service in the month of March. If you are interested in helping in a particular month or gathering a crew of friends of family to support this ministry - it is extraordinary how this ministry fills you up.

Contact Barbara Hallak for details on when you can help.

Romeos & Juliets

WE ARE BACK ON!!!
At least on ZOOM!
We had a meeting on the 4th Thursday at Noon for a joint ZOOM call. It was tremendous fun. An email and phone call will be going out soon with the contact information for our next get-together.

All that is needed is that you have your lunch and conversation ready! If you are unable to join with a computer - you may still participate by telephone alone (PARTY LINE STYLE!!!)

Ushering Ministry

Please call Harry Georgiades at 413-883-2560 regarding ushering on Sundays. All are welcome, youths, adults - all ages.
SATURDAY OF THE SOULS

All parishioners are invited to submit the names of departed loved ones to Father, with the form below for your convenience. These vital days encourage our families to gather in holy remembrance; they remind us of the power of prayer. Please note that lists need only be submitted once and will be read at all three services.

NAMES OF DECEASED

ΟΝΟΜΑΤΑ ΑΠΟΘΑΝΟΝΤΩΝ

These names will be read at each Saturday of the Souls Service this year. Please print clearly the names of departed family and friends that you wish to be remembered at these services.

Give graciously to all the living; do not withhold kindness even from the dead — Sirach 7. 33

. . . Did You Know?

What is the difference between a Compline, Pre-Sanctified, and Salutations service?

Compline — in the monastic tradition, this service of repentance is read after the evening meal and before sleep. Here we sing the hymn “Lord of the Powers, be with us; for in times of distress, we have no other help but You; Lord of the Powers, have mercy on us.” We will have Compline on most Monday evenings during Lent.

Pre-Sanctified Liturgy — Exclusively a Lenten service, it is a Eucharistic liturgy where the Gifts have been already sanctified at a prior Sunday Liturgy. It is attributed to Saint Gregory the Great, and includes also hymns from vespers. The Pre-Sanctified is served on a Wednesday evening; in some parishes it is also on a Friday morning.

Salutations — This is a service during the first four Fridays of Lent, with the fifth Friday service known as the Akathist. The hymns are connected to the Feast of the Annunciation and revolve around the intercessions of the Panagia, the Mother of God, as she prays for us in our daily struggles.

If you can help with Prosphoro and Kollyva, please let Father know. We have dedicated parishioners helping out, and it would be wonderful to have more assistance.

Thank you!

If you would like to donate a Holy Pascha gift in Memory or in Honor of a loved one, please contact the Church Office. There is a list of gifts available for donation in the office.

Thank you!

Celebrating Greek Independence

Greece 2021: Bicentennial of the 1821 Greek War of Independence

Greek Independence Day is a national holiday celebrated annually on March 25. It commemorates the start of the War of Greek Independence in 1821. It also coincides with the Greek Orthodox Church’s celebration of the Annunciation of the Theotokos, when the Archangel Gabriel appeared to Mary and told her that she would bear the son of God.

The motto “Freedom or death” celebrates its bicentennial this year.

There were even those who believed in the cause that helped in other ways. There were six “American Philhellenes” from the United States who contributed greatly to Greece’s efforts to gain independence from Ottoman Turkey beginning in 1821. They were, Congressman Daniel Webster, Congressman Henry Clay, George Jarvis, Captain Jonathan Miller, William Townshend Washington and Dr. Samuel Gridley Howe.

As the 200th Anniversary of the Greek War for Independence arrives, it is of paramount importance to examine the lives of a Philhellenes who so selflessly dedicated themselves to that noble cause. They exhibited altruism and selflessness; and dedicated their life to the betterment of others.

Many Philhellenes worked for the cause of Greece in America. Some raised and repeatedly sent money and help, and others actively participated in the Greek war of independence. Notably, Lord Byron was a wealthy aristocrat who decided to take up arms to help the cause of Greek independence and fell at the battle of Messolonghi.

Other countries also aided in helping ensure the Greek Revolution was successful, such as a fleet of ships from the United Kingdom, France, and Russia helping destroy and Ottoman fleet in the Battle of Navarino.

While under Ottoman rule, the Greeks worked to preserve their language and Orthodox culture through “kryfo scholeio” or “secret school”. All these efforts combined helped the Greeks to become the first Ottoman subjects to gain independence and become a sovereign power.

History aside, Greek Independence Day is a momentous occasion. It is a commemoration of the survival of all the achievements of the Greek people. Those achievements can range from Scientific and Mathematical to Literary and even Culinary. It can be something as groundbreaking as Democritus developing his atomic theory in the fifth century BC or Sophocles writing Antigone, and beyond even that. Either way, the number of contributions that Greek people have made are numerous.

Which is partly what makes Greek Independence important. Whether one was born in Greece or one’s family moved to the United States from Greece several generations ago does not matter. It should be a day where someone feel proud of their cultural roots and what your people achieved before you. Moreover, it is even a celebration for non-Greeks at that. After all, the Philhellenes and other countries aided in the revolutionary efforts too. Greek Independence Day is a celebration for all people who value or appreciate Greek culture and its historical contributions to the world.

AHEPA Chapter 317
A huge “Thank you” goes out to Sarah Kirchner and her sons, Joshua and Daniel and Ryan Clay for stepping up to help with the church upkeep while our maintenance guru, Bob Granger is fighting health issues. Their time and talent has been very evident in a job well done!!!

We continue to ask if there is a person or a small group of 3 or 4 people, male or female, who would like to help with some of the basic responsibilities that Bob took care of. Arrangements can be made to do this in the daytime or evening...whenever you are available. This is a time when nothing is the way it always was...so in a conventional or unconventional way, let’s get this done!!!!

Because of the pandemic and our church guidelines, only certain parts of the church are in use making a lighter workload.

The areas needing attention are:
* vacuuming the church proper;
* sweeping and mopping the floors in the office foyer, the church narthex, the office and the altar nave area when needed
* keeping an eye out on the supply of paper towels, toilet paper, and soap in the bathrooms
* wiping up the sinks/toilets in the bathrooms
* and lastly, emptying trash.

If you have the ability to take a few hours out of your normal weekly routine to assist your church, please contact us. Your help will be greatly appreciated....and you will make Bob a very happy man knowing the church he has cared about for so many years is in good hands.

Please call the church office (413-525-4551) and let us know you’re interested in helping out. Leave your name and telephone number and we’ll get back to you.

Thanks for your consideration....judy

We will be celebrating and acknowledging the 200th Anniversary of Greek Independence with a special Doxology and Program of poetry on March 28th after Liturgy.

Zeto Ellas!!!!
Calling All Students

Graduating High School Students  College/Graduate School Students  College/Graduate Trade School Students

In spite of the Pandemic we are dealing with, this year seems to be flying by! March, April, and May are busy months especially for high school seniors waiting to hear from colleges. However, regardless of what level you are on in your quest to further your education, there are always many options to help you out financially. It’s so important to research those options and take the time to apply for them.

St. Luke’s has 4 scholarship options for you to take a look at whether you are a high school graduate; a college/grad school student; or a college/grad trade school student. All 4 have a deadline date of May 15th.

You can access these scholarships in several ways...

Go on to our website - stlukego.org - go half way down the page and click on “access academic scholarships”. You will find a choice of fillable PDF’s to fill out and send in electronically as well as printable PDF’s to print out copies of and manually send in to the church. There are also hard copies of the scholarships in the hanging rack as you enter the Fellowship Hall at the church.

Please take the time to look at and apply for these scholarship opportunities as well as any others you may research that seem to fall in line with your educational path. Scholarships and grants are normally the type of financial aid that does not have to be paid back. Even though you may not want to take the time now, you will appreciate the fact that you did in the future!

Thank you to all my friends at St. Luke for your thoughts, prayers, cards, gifts, and many well wishes. I am fighting hard to be back with you soon. Your love and support mean the world too me.

Love,
Bill Cokotis

A special Thank you for all those who made the Lamb Shank a success!

Thank you

Knowing how much St. Luke’s and this loving community meant to him, a generous gift was given in loving memory of Demosthenes Dasco by his devoted brother Antonis Daskopoulos.

A gift was also made by Demosthenes’ devoted and loving wife Marion, in his memory.
